

NO MORE SOCIALISM

STAND AGAINST SOCIALISM PLEDGE

American Democracy is under assault by those who espouse tolerance for totalitarian regimes and their authoritarian leaders, past and present, including Fidel Castro, Nicolas Maduro, Daniel Ortega, and Lenin Moreno.

American political leaders must show zero tolerance for the brutality, persecution, and human rights violations these tyrannical dictators perpetuate on their citizens.

There is no room for condoning their heinous, fascist ideology by labeling it Socialist. There is no acceptable excuse for any American political leader to advocate for tolerance of these regimes - regimes which perpetrate horrific and often violent abuse while prohibiting basic freedoms or liberties for their citizens, and consistently promote anti-American sentiments.

I stand with the people of Cuba, Venezuela, Nicaragua and Ecuador, as well as the millions that have fled these regimes for a better life here in America and elsewhere, and denounce any effort to undermine American Democracy and the individual liberty and freedom bestowed therein by political leaders or candidates advocating socialist and communist policies here or abroad. I pledge to stand up for human rights by condemning despots and opposing any political candidate who condones fascism, communism or socialism.

Signed, _____ (name and title/candidacy), this ____ day of _____, 2020.
